

August

20, 2007

Dear Families,

I hope that this letter finds you enjoying the end of a wonderful summer. My summer has been busy with visits with friends and family, camping trips, and getting caught up on jobs around the house.

I am looking forward to a fabulous school year filled with exciting learning. A super new principal, excited teachers, and hard-working students will make for a great 2007-2008 year at Kaler School!

As the beginning of the school year approaches, please be reminded of a couple of things:

1. Fifth grade students have been asked to choose a favorite book and to be prepared to share that book with their class when we return to school in September.
2. Fifth grade students have also been asked to do summer journal writing about fun, interesting experiences/ideas that they have had during the past couple of months.

Your efforts in helping your child to complete these activities are greatly appreciated. We are eager to use this work to help us in getting to know one another this fall.

Also, please note that a suggested supplies list is enclosed with this letter. Arriving to school with these materials at the beginning of the year will help your child to be well-prepared for fifth grade.

Thanks for all of you support. I look forward to meeting you all soon!

Sincerely,

Elizabeth Fowler
